Report of Selectmen and Town Manager

The Board of Selectmen and Town Manager respectfully submit the Annual Town Report for 1974. It includes information relating to activities of various Boards, Departments, Committees and Associations which have provided service to the Town along with related financial statements and activities of general interest during the past year.

You will find records of action taken at last year's Town Meeting and a list of questions and articles which will require consideration and action for the coming year.

The 1975 Town Meeting will take place on Tuesday, March 4th at the Masonic Building on Main Street between 9 A.M. and 7 P.M. for the purpose of electing officers and acting on questions by ballot. After balloting is completed, the meeting will be adjourned to the Inter-Lakes High School Auditorium on the following evening at 7:30 P.M. to transact other town business.

We hope you will study this report and bring it to the adjourned Town Meeting. It is intended to be useful throughout the year with emergency phone numbers and names of people serving in various offices. You will note that it also includes a list of taxpayers and the assessments of their properties. Publication of this list every five years was directed by the voters in the 1964 Town Meeting. It should be noted publication of this list this year has cost the town approximately \$2,200.00.

The sewer extension on Pleasant Street to Wagon Wheel Trail has been accepted by appropriate Federal and State Agencies. Bids have been made, with Charwill, Inc. of Meredith being the low bidder. The contract was signed on January 10th and construction will start around March 1st.

A new 10" water main was installed along Winnepesaukee Street from the intersection of Route No. 3 to Pleasant Street. This provides for better service and, most importantly, better fire protection to this section of town. An additional reason for undertaking this necessary project when we did was to avoid the unnecessary expense and disturbance which would result if delayed until after the State repaved Route 25, which we understand will be done in the spring.

The Sanitary Landfill Committee made a thorough study of the possibility of a landfill site within the town or in Center Harbor and came up empty handed. Our dump burning permit has been extended through July 1st of this year. The use of incineration has been thoroughly investigated, and an article is being presented in the warrant for the possible installation of an incinerator or incinerators to dispose of the town's refuse. Conferences with different incinerator manufacturers have been helpful in determining the best possible methods of incineration for refuse disposal.

The Police Department has continued the summer cadet program and cooperated with universities in on-the-job training for future law en-

forcement officers. Several items have been purchased for the department through the Governor's Commission on Crime.

The Fire Department purchased two new alerting radios and several other small pieces of equipment to keep the department up-to-date. A Port-O-Power emergency tool was ordered which will permit quicker rescue of people trapped in cars and buildings.

Several roads in town were resurfaced and major work was done on the Veasey Shore Road, Tucker Mountain Road, Chemung Road, and the Upper New Hampton Road.

Drainage problems on Gould Avenue, Pleasant Street and Mill Street were corrected by installation of culverts and manholes.

Under the State Aid Program preliminary surveys have been made to improve Meredith Neck Road. Actual work should be started in the near future.

The Bechard property on Winnepesaukee was razed and the land added to the park. The Lincoln property on Lake Waukewan, at the end of High Street was purchased by the town at a cost to the town of \$7,500.00 and designated as "The John Bond Swasey Park." Improvement of this property as a park has been undertaken by the Bicentennial Commission as their project for the 1976 celebration.

The Parks and Playgrounds Commission had a highly successful season of Youth League baseball and soccer. The basketball and tennis courts were resurfaced and lined. A skating rink was constructed and is being used. The winter youth basketball league is in full swing at the Inter-Lakes High School Gym.

The Board of Selectmen and Town Manager feel that necessary services are being provided and improvements demanded by our community are being made while keeping the tax rate within reasonable bounds.

We sincerely appreciate the efforts of the Planning Board, the Refuse Disposal Committee, the Parks and Playgrounds Commission, the Board of Adjustments, the Bicentennial Commission, the Water and Sewer Departments, the Highway Department, the Police Department, the Fire Department and Town Office personnel in giving the best services possible to everyone in the Town of Meredith.

We also appreciate the help and understanding shown by our citizens and out-of-town residents during the past year.

Report of the Planning Board

This year the board has been able to get back to its old schedule of meeting only on the second and fourth Tuesdays of the month. There has been time to think and discuss the impact of the land rush between 1970 and 1973, and the direction of growth.

Subdivisions have been mostly in the 2 to 10 lot category. Two large subdivisions of over 50 lots, that were in the planning stage, have come to a stand still because of the economic situation.

Meredith at the present time has several hundred unsold lots on the market. Most of these lots are too expensive for the low and medium income homes that are most needed at present in our area.

This need will take some hard thought in 1975.

Report of Meredith Zoning Board of Adjustment

1974

The activities of the Board of Adjustment have been light this past year due to the understanding and conforming with the terms of the Meredith Zoning Ordinance.

Most of the sessions held by the Board pertained to hearing applications for variances on set back requirements. Early in the year, a resumed hearing for a Special Exception was continued and granted with conditions attached.

The members of the Board met on several occasions with the Meredith Planning Board to discuss proposed changes in the Meredith Zoning Ordinance. As a result of these meetings, the Planning Board is amending sections of the Ordinance which will be voted upon by the residents of Meredith at the March 4, 1975 Town Meeting.

Past Chairman John Sherman retired from the Board on September 9, 1974 at the conclusion of his term. Joseph Cerutti was appointed by the Selectmen as his replacement. The Board lost another member during the year with the resignation of Donald P. Shedd, who has moved to Center Harbor. The Selectmen appointed Raymond Ruchamkin as his replacement.

As always the services of the alternate Board members, Wilfred Canney, Normand Valliere and Charles Rouvalis, are deeply appreciated.

Respectfully submitted,

Report of the Lakes Region Planning Commission

Bradbury Sprague, Chairman
Board of Selectmen
Meredith, New Hampshire 03253

Dear Mr. Sprague:

This is to transmit to you the request for funds from the Lakes Region Planning Commission for 1975. The request for the coming year is \$3,297.00.

The past year has seen substantial progress in the areas of Land Use Planning, Water Quality, Solid Waste Management and Local Planning Assistance. Member communities have received assistance in base and natural resource mapping, review of codes and ordinances, provision of information relating to community planning and growth. Of particular concern to many of our member communities has been the recent enactment of the National Flood Insurance Program and the Housing and Community Development Act of 1974. The LRPC has provided assistance to members on these critical pieces of legislation. In addition, the Commission has assembled a great deal of information and data which is available in our library to member communities.

Accompanying this letter please find a copy of the LRPC Audit Report for the fiscal year from July 1, 1973 to June 30, 1974, undertaken for the Commission by Dana S. Beane, Jr., Certified Public Accountant.

Finally, you will also find enclosed a mimeographed sheet which indicates requested appropriations from each town and the requests for the past five years.

Cordially,
David G. Scott
Executive Director

Report Of The Parks and Playgrounds Commission

At our first meeting newly elected commissioners Michael Hatch and William Forristall were welcomed. The new board elected William Lamper - Chairman and Larry Swain - Vice Chairman. The five member board along with Recreation Director, Nathan Torr reviewed policy, responsibilities and outlined its 1974 program.

The 1974 program started in April with the early arrival of spring. The Commission sponsored a clean up day at Prescott Park and the public response was great. Much work was completed this day with help from individuals and representatives from all of the local service groups.

The summer program was headed by our Recreation Director, Nate Torr and additional help was added this year in James Durkee as assistant director.

Leavitt Park: Required several truck loads of new beach sand; re-grading; new fireplaces were made; playground equipment was painted; picnic tables were painted; dead trees and brush throughout the park were cleaned up and removed.

Waukegan Beach: A new retaining wall was installed and painted; new stairs were made; two new bath houses were installed.

Prescott Park: The parking lot was enlarged and re-graded; all dugouts were re-screened and repaired; a new scoreboard was installed; the basketball court was resurfaced with asphalt; the tennis courts were resurfaced with a dual color coated surface; new tennis nets were purchased and installed; new grass was planted in areas washed out by the floods in 1973; lighting was installed to accommodate the new skating rink; the new 200' x 85' skating rink was installed.

The above recap shows only major jobs completed at our recreation facilities, but gives the public a good idea of how these facilities are constantly changing with improvements.

We experienced a great year beginning with the early spring and continuing through the winter with skating on the new skating rink with large turnouts for all functions. Several new programs were introduced last summer. These programs were daytime tennis lessons and women's softball at night. One hundred and fifty children enjoyed the activities at Prescott Park which included: Arts and Crafts, Tennis, games, field trips and special events. The swimming lessons were more popular than ever with daily participation of approximately 270 children. These programs were all conducted under the direct supervision of Nate Torr and his assistant James Durkee. The Commission sponsored the newly formed mens softball league which offered an athletic program to over 100 men and co-sponsored the Meredith Youth Soccer League. This soccer league offered instructional play to over 50 youngsters during Saturday mornings this past fall.

The Commission looking toward the future, would like to see the town have a youth hockey program, the installation of new bath houses at

Leavitt Park, new playground equipment for Prescott Park, a small building to offer shelter used in connection with the skating rink at Prescott Park and a new mowing tractor for the maintenance program at all our parks.

The members of the Parks and Playgrounds Commission would like to extend their appreciation to all parents and service groups who assisted in making the programs in 1974 a complete success.

Meetings Attended:

Central District Advisory Council (Chairperson of the Nominating Committee); Registrar of the New Hampshire Library Council; New Hampshire Library Association; New England Library Association; Meredith Bicentennial Committee representing Meredith Library; New Hampshire Library Trustees Association Workshop in the company of Mrs. Charlotte Fisher, Trustee.

Outreach:

In memory of Captain Weld Robinson, Mrs. Robinson has donated an 8mm-super 8mm projector, a slide projector and screen. These may be borrowed for home use. We have added a collection of 8mm-super 8mm films which may be borrowed also. We have cassettes of popular books and Old Time Radio Shows for circulation. Book collections changed monthly by the "Friends" are taken to Meredith Bay Nursing Home and the Golden View Health Care Center. Displays: antique buttons; shell art; string art; crewel; craft books posters; school art from the elementary grades; photography; folk toys; Christmas decorations; new books; 2 Bulletin Board displays changed monthly; cards issued to all first graders who use the library once a week; book lists of new books; librarian presented book reviews at the Woman's Progress Club; "What your library can do for you," presented at Lion's Club; Children's programs under the direction of Marilyn Rushton included poetry writing and recitation day; cooking contest; paper folding party; "Rock Critter" party; Hallowe'en Film Festival using our films; Puppet Show performed by juvenile patrons; Book Week play also performed by the children (two showings necessary!); the Vacation Reading Club enjoyed Miniature Golf at Funspot; the children trimmed the Christmas tree; sang carols into the cassette tape recorder and enjoyed Christmas films. We have a large collection of paperbacks, most of them donated by patrons. In addition to the "Swap Box" we circulate them in the same manner as books. The copier from the High School library was loaned to us for the summer. Many people were very pleased with this service and missed it when it was returned. We now have one on a trial basis with an option to lease. We hope enough folks will use the machine to warrant our keeping it.

Interior improvements include shelving, carpeting and window draperies. Shades provided by the Friends of the Library allow us to darken the reference room for film showings.

Mrs. Rushton, assistant-librarian completed the Public Library Techniques courses and was presented her certificate at Durham in July. She has taken part in a Young Adult workshop and is our representative at the Children's Book Cooperative sponsored by the State Library.

In August William C. Call, a Retired Senior Citizen Volunteer joined

the staff. We appreciate his assistance with our expanding services and increased circulation.

Gifts of money, books, bookmarks from the Guy Horne Insurance Agency, book bags from the Meredith Banks and the Meredith News from Mr. and Mrs. Neal Phillips are sincerely appreciated.

As the use of the library is increasing every year, we look to the Friends of the Library for assistance in providing aides, materials and goodies for our programs. They are planning to tape record the history of Meredith as their Bicentennial project. Being a "Friend" is an interesting and rewarding experience. Read their report which follows this one and "Try it! You'll like it!"

Friends of the Library Annual Report - 1974

This year, as before, the Friends of the Library provided refreshments and donations for such children's events at the library as Book-week, the cooking contest, and children's plays. We participated in the 4th of July Fair, and held a book sale in the library basement. In addition to transporting library books to the Meredith Bay Nursing Home on a monthly basis we have now begun to provide this service to the Golden View Health Center.

This year the annual conference of the N. H. Library Council was held at the Brickyard Mountain Inn, and the Friends assisted Mrs. Watson in registering participants.

Fund raising activities, in addition to book sales, were a card party held at the home of Mrs. Josiah Fisher in April, and a silver tea in November. Funds were disbursed to purchase room-darkening shades for the upper room so that slides and movies can be shown there.

Our big project of the year was to raise money for a 16mm movie projector to be available in the library for the use of local organizations. Letters were sent to various groups and the response was very generous. Organizations contributing were:

Belknap Lodge No. 14 I.O.O.F.

Community Action Program

BELKNAP-MERRIMACK COUNTIES, INC.

MEREDITH AREA

11 Highland Street

Meredith, New Hampshire

Telephone: 279-8969

ANNUAL REPORT

The Belknap-Merrimack Counties Community Action Program, Inc., has served as a delivery system for services to low income families and individuals of Meredith through the Laconia Area Center, since 1965 and recently, since November, directly through the new Meredith outreach office.

The purpose of the neighborhood center is to present convenient and comprehensive help to low income and other needy persons and to spur their efforts to better themselves and their environment. It is designed to promote the effectiveness of needed services and maximum participation of neighborhood residents in center planning and operations.

Through the Meredith Community Action Center a complete array of services and programs are offered. The Community Action Program serves in a referral and advocate capacity for low income people in emergency situations. It works with the people to assess the community needs, develops programs to meet these needs, and generate the funds, in-kind services and non-cash donations to support the programs developed.

During 1974 residents of Meredith have participated in the following Community Action Programs and Services: General Information and Referral, Emergency Assistance, Housing Assistance, Winterization-Energy Crisis Assistance, Green Thumb Gardens, Food Stamp Information and Referral, Adult Work Experience Program, Summer Program for Disadvantaged Youth, The Learning Center, Rent-A-Kid, Summer Camp, Family Planning Clinic, Family Planning Information, Counseling, Referral and Rural Transportation.

We sincerely acknowledge the cooperation of all town people who have worked with us this past year.

Office of the Selectmen
Town of Meredith
Meredith, N. H. 03253

Gentlemen:

Am enclosing a copy of the total number of animals received from all towns and cities using the shelter in 1974. From Meredith, we received 157 unwanted or stray dogs and puppies and 151 cats or kittens. Of these, your animal control officer left 53 dogs and 8 cats.

If I can be of any service and provide additional information, please call me at 524-2610.

Sincerely yours,

Animal Control Agreement

with

New Hampshire Humane Society

Box 572
Laconia, N. H. 03246

The parties of this agreement are the New Hampshire Humane Society, a non-profit organization, formed in 1900 and chartered in the State of New Hampshire in 1905, hereinafter referred to as the "Society" and the City-Town of Meredith. The terms of this agreement shall take effect January 1, 1975 and shall remain in effect until December 31, 1975.

The Society, in consideration of the said City's-Town's promises, agrees and promises:

1. To furnish and maintain a suitable shelter for handling stray dogs and cats and impounded animals. To make this shelter available 24 hours a day, seven days a week for your animal control officer to leave strays.

2. To satisfy the New Hampshire State Statutes requiring all cities and towns to have isolation facilities for animals that must be restrained for possible Rabies, Chapter 442-A, Rabies Control Act.

3. To assist your City-Town with unusual animal problems and to help train your control officer in all phases of animal work.

4. To cremate your City's-Town's small dead animals.

5. To investigate and enforce all State Laws prohibiting cruelty to animals.

6. To employ Society Agents who will enforce the State Laws by investigating complaints, securing evidence of suspected violations and preparing written reports of violations to be kept on file at the Society's Shelter.

7. To inspect breeding kennels, pet shops and all places where animals are publicly displayed.

8. To keep the shelter open for the purpose of receiving unwanted animals from your residents seven days a week from 9 a.m. to 5 p.m. A small donation will be requested from these residents to help care for their unwanted pets.

9. To assist your residents by accepting animals that must be put to sleep using the most modern, painless method. The remains will be

cremated. A small donation for this service will be requested from the residents.

10. To assist your residents in finding lost pets, allowing said pets to be redeemed during the seven day 9 a.m. to 5 p.m. open hours.

11. To make available free booklets on the training and care of animals available at the shelter. Also, the society offers an educational program for your Schools, Clubs and Adult Organizations.

12. To offer a spaying program for all cats and kittens adopted from the shelter. Also, the Society offers to your residents, healthy animals for adoption. All have been examined by the Society veterinarian, wormed if needed, all puppies given a puppy vaccination, and all cats and kittens a regular one year distemper vaccination.

Report of Lakes Region Association

The Lakes Region Association What It Does For Your Town And You

As the Lakes Region Association enters its thirty-ninth year of service to the thirty-nine towns and three cities it represents, we face the annual task of appeal to our communities for support of their association. Regional cooperation in economic development as practiced by the Regional Associations in New Hampshire, was once most unique, but now several other states have watched the fruits of our efforts and have adopted a similar program for their state. We present herewith our request, for your consideration in the preparation of your town's 1975 budget.

The Lakes Region Association becomes the catalyst in coordinating action between the state agencies and the local communities, so that the greatest benefits from research, planning, development and promotion can all be realized in our Region.

Never before has the need been greater to combine funds to get the greatest return for all. Through the Region program your community finds its spokesman, to the interested visitor, who wishes more information on our Region.

Our office services approximately ten thousand letters each year on this Region. Most of our small towns do not have Chambers of Commerce, and we willingly handle all letters passed on to us by local Selectmen's offices.

Please do not confuse the efforts of our Association with the Regional Planning Commission. Our efforts do not overlap, for there are many areas that are in their province and many that they do not cover, that we carry the ball on.

The Lakes Region Association is vitally concerned with every aspect of regional development, concentrating on those problems which are likely to affect the orderly growth and development of one or more of our municipalities. The Regional Association is acutely conscious of the necessity to preserve the unspoiled beauty of our rural towns and protect the amenities of life for which our Region is justly proud.

By your town's financial participation towards the operation of our office, you have an agent that is working year 'round for your needs, involved in the Region's interest on all points from natural resources to highways, community planning, historical sites, as well as publicity and promotion.

This year we determined to present a "hold-the-line" budget, and therefore our request shows no increase over last year. But full participation will be necessary to get the job done.

We hope your town will vote favorably on this article.

Administration and Trustees of Lakes Region General Hospital

December 23, 1974

Chairman, Board of Selectmen
Town of Meredith
Meredith, New Hampshire 03253

Dear Sir:

The Lakes Region General Hospital is again approaching the cities and towns of the Lakes Region asking that when preparing their appropriation budgets for 1975 that consideration be given to the Hospital.

During the past year, the Hospital has been faced with many unexpected financial burdens brought about by Federal and State regulations; the necessity to replace obsolete equipment, and the need to purchase new equipment to allow us to better serve the health needs of our community.

Some of the projects which have recently been completed, are in progress, or must be undertaken during the coming year are:

1) The air conditioning unit for our operating room was working at over capacity. To relieve some of the load it was carrying and to provide at least minimal air conditioning should it break down, it was necessary to install an auxiliary compressor. Cost - \$9,000.00.

2) The Environmental Protection Agency ruled that hospitals must burn all materials which come in contact with patients. Our incinerator was not capable of handling this without emitting pollutants, in violation of the clean air laws. To correct this situation, it was necessary to install an after burner and temperature controls in our incinerator. Cost - \$6,000.00.

3) The Hospital Auxiliary contributed funds to purchase enough electric beds to furnish the one wing that still had manual beds. To complete furnishing these rooms, the Hospital purchased bedside cabinets and overbed tables, etc. Cost - \$8,000.00.

4) To conform to Federal Life Standards Codes, it was necessary to install additional heat and smoke detectors and additional pull alarms in all of the older wings of the Hospital. Cost - \$14,000.00.

5) Because of the heat generated in our Central Sterile Department, a hot-cold stress situation developed which has made it necessary that we replace this section of roofing. Cost - \$16,000.00.

6) New OSHA regulations made it necessary for the Hospital to replace all electrical outlets throughout the Hospital. Cost - \$5,000.00.

7) The most up-to-date practice of Otolaryngology (Ear, Nose, and Throat), requires an operating microscope and related equipment. This year a new ENT man joined our staff, and the Hospital purchased the necessary equipment to allow him to provide care for our patients. Cost - \$9,000.00.

8) Because of new OSHA regulations, it has also been necessary to

replace all electrical beds in our Intensive Care Unit with non-electrical beds. Cost - \$8,000.00.

This is a brief summary of the major financial problems with which we are faced. In addition to the above items, the Hospital will spend over \$65,000.00 during the next year to replace worn out and obsolete equipment.

Only through the continued support of the cities and towns, through their appropriations, can we hope to meet the health needs of the area residents.

Sincerely,

Robert Selig, Chairman
Finance Committee

Meredith Civic Association Report

The Board of Directors held 10 regular monthly meetings and one luncheon meeting during the past year. The Directors who served were; Bill Moscardini, Chairman; Dorothy Forsberg, Vice Chairman; Donald Crumb, Elisabeth Marden, John Breault, Vernal Drake and Kenneth Anair. Mr. Anair submitted a letter of resignation in October due to the fact he and his family were moving from Meredith.

The highlights of the past year's activities include; the Annual Meeting at Hart's Restaurant in October, a Christmas party, with the assistance of the police department, for the children of Meredith, the Annual Christmas decorating contest for private residents and businesses. No Winter Carnival was held due to the lack of snow in February. In May the Association sponsored Spring Clean-Up Week, cash prizes were awarded to those students in Grades 2 thru 6 creating the best posters. Also in May the Spring Dance was held at Waukegan Golf Club, with a buffet served by Hart's. On July 4th the Association sponsored the Community Fair and a Fireworks display that evening.

In hopes of increasing the circulation of brochures, 16,000 rather than 10,000 were printed this year. A new cover was designed by Peter Hall, a map was added along with the telephone numbers of all those listed.

The Secretary answered 99 letters this year pertaining to inquiries for accommodations. Ten listings of these inquiries were sent to cottage owners and realtors who desired them. A total of 48 letters were answered pertaining to general information about Meredith and surrounding areas.

Information Booth Report

The Information Booth opened weekends starting May 25th. It opened on a full-time basis as of June 28th thru Labor Day and reopened for the Columbus Day Weekend. The attendants for this year were Mrs. Lucy Willard, Mrs. Madeline Walsh and Mrs. Mary Plancon.

A total of 6723 cars and 20,312 people were served at the booth this year. This is an increase of 1,604 cars and 5,246 more people than in 1973.

1974 Police Report

Having completed my first year as your Chief of Police I hereby submit my first report, including a breakdown of court cases. You may be interested in the amount received in Federal and State Funds which I have included in my report. 1974 has certainly been a busy year and I think this depicts the trend in increased Police activities to combat crime. There was great emphasis on patrolling outlying areas to give the summer residents as well as year round residents greater protection from vandalism and burglaries. Thus 1974 showed a decrease in burglaries of 75 percent.

Other areas concentrated on were speeders, which resulted in an increase of 382 speed cases. This had much to do with an increase in DWI cases and helped to reduce accidents by about 30 percent. The most important fact is that we were fortunate not to have a fatal accident in 1974.

I look forward in 1975 to serving you the taxpayer and thank you for your cooperation this past year and in the years to come.

Respectfully Submitted,

Herbert R. Horne, Chief

Meredith Fire Department

During the year 1974, the Fire Department answered a total of 76 alarms. There were 13 building fires, 7 chimney fires, 11 car fires, 2 electrical fires, 2 rescue calls, 3 smoke investigations, 6 false alarms, 24 mutual aid calls and 8 miscellaneous calls.

The Fire Department has received delivery of six more home alerting devices (plectrons) in 1974, bringing the total up to 38, to assure quick response of your fire fighters to all fire calls.

An Inter-Town Mutual Aid Drill was held at Inter-Lakes Elementary School on July 18th with ten towns participating with the local department. The drill consisted of shuttling water from Lake Waukegan to the school site. For a 64 minute period, the combined departments averaged a flowage of 496.8 gallons per minute.

Eight Meredith fire fighters attended the Lakes Region Mutual Aid Fire School in June at the State Civil Defense Training Center in Gilford.

During the year, we changed the lighting in the meeting room on the 2nd floor to strip fluorescent lighting which has made a much needed improvement to this area.

In closing, again we wish to thank all employees and residents of the Town for all the assistance given us this past year.

Respectfully submitted,
SHERMAN B. CARTER

ANNUAL FIRE REPORT — 1974

Total number of emergency calls - 66

Nineteen (19) were Mutual Aid calls

Forty-Seven were in the Winnisquam area

These calls were in the following towns:

Belmont	18
Tilton	11
Sanbornton	18

Type of Calls:

Rescue & Vehicle Fire	15	False Alarms	2
Residential	14	Chimney	5
Commercial	6	Electrical	2
Stand-By & Cover	10	Brush Fire	12

The trucks were operated 686 miles

Total man hours spent 1022 hours

The present fire equipment consists of the following

1 - 1968—750 gallon pump—1000 gallon tank

1 - 1952—500 gallon pump—600 gallon tank

1 - 1958—Van type Rescue truck

1 - Restored Army truck—275 gallon tank—350 gallon pump

There are at present twenty-eight (28) volunteer firemen enrolled in the department. A Regular Meeting, Officer's Meeting and a Drill are held once each month, as well as attendance at Mutual Aid Meetings and Fire Schools.

Approximately seventy (70) children in the Winnisquam area attended the annual Carole Davis Children's Christmas Party in December, met a real Santa Claus, and were given presents, candy and ice cream.

Work is progressing on the restoration of the Army truck. The truck has been made mechanically fit to fight forest fires.

The department has purchased five hundred feet of four inch hose, and has also purchased an air chisel for the Rescue truck to enable faster extrication of trapped victims of automobile accidents.

Report of the Forest Fire Warden and District Chief

Meredith

All open burning when the ground is not covered with snow is controlled by the Town Forest Fire Warden in cooperation with the New Hampshire Forest Fire Service. Anyone wishing to kindle a fire out-of-doors when the ground is not covered with snow must have a written permit signed by the Town Forest Fire Warden. If the fire is to be kindled on land not owned by the person kindling the fire then he must have the permission of the landowner. No outdoor fires can be kindled between 9 A.M. and 5 P.M. unless it is raining, without the additional approval of the District Forest Fire Chief.

The 1974 forest fire season was one of the worst in the past two decades. Woodlands in central and southern New Hampshire became so dry in mid August that the Governor and Council, upon the recommendation of the State Forester, enacted a partial woodlands closure in Sullivan, Cheshire, Hillsborough, Merrimack and Belknap Counties and a complete woodlands closure in Strafford and Rockingham Counties plus the Towns of Barnstead, Gilmanton and Alton in Belknap County. Through the excellent cooperation of the citizens of our State no major forest fire occurred at any time during the year.
